

# DI KAY INSULATION INDUSTRIES PVT. LTD.

## About Us

We are a leading Engineering and Manufacturing Company, certified to ISO 9001:2015 and Indian Railways HL3 standards for composites, with decades of experience. We specialize in producing high-precision Machined FRP and Bakelite Components.

## Our Products

Glass Epoxy Slot Wedges

FRP Tubes

Insulation Blocks

Epoxy Tree

## Machining Components

Precision-Machined FRP Components with superior strength, durability, and dimensional accuracy—ideal for Electrical, Industrial, and Structural Use. Available in a wide range of grades including EPGC-203, EPGC-308, EPGM-204, GP03 (IS 10192), and NEMA G-10 and G-11, with customizable shapes and excellent surface finish.

## Our Facilities

- Hand Lay-up • Compression Molding • Filament Winding
- Machining • Supporting R&D Test Lab

# Defence Products

We supply **100-120 KG FR Bombs** tailored for Fighter-Aircraft of the Indian Air Force, built for precision and durability in combat. We also supply **BASE PLATE** for 84 MM CARL GUSTAF ANTI-TANK AMMUNITION (BOFORS/SAAB).

Base Plate

100-120 KG FR Bomb

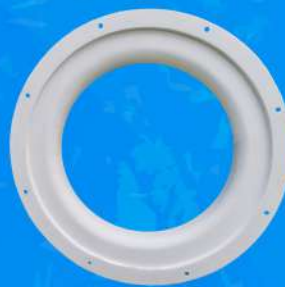

## Molding Items

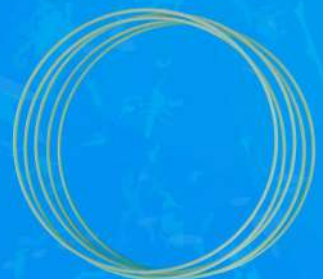

FRP Cylinders

Oil Vapour Seal

Air Guide Assy.

FRP Rings

## Testing Facilities

Universal Testing Machine, Muffle Furnace, Deep Freezer, Humidity Chamber, High Resistance & Voltage Testing Machine

## Clients Include

**BOFORS**

**VOITH**
